"Old Line" from the foundation up. Federal Life Insurance Co.

Marquette Building, Chicago, Illinois.

Isaac Miller Hamilton, : : President.

The FEDERAL is an old line legal reserve company with a fully paid up capital stock of \$150,000,000.

Its success has been remarkable and practically without parallel in the history of life insurance.

Its INTEREST INCOME from investments ALONE has been EIGHT TIMES that of its DEATH LOSSES.

Its insurance in force in 1901 increased more than fifty per cent over that of 1900, and exceeded that of forty-one of the oldest companies of the same age.

Its cash income in 1901 exceeded that of thirty-nine of its leading competitors at same age, and increased more than two hundred and fifty per cent over 1900.

Its record entitles it to patronage and support. No company issues more attractive policies and no company offers more liberal contracts to agents. If this interests you, address for further information

Why, the fact that so many people never think of insurance until the Cholera, Small Pox, or some other terrible disease is imminent, or until they get into a Railroad Accident and narrowly escape being killed.

Farmers' Club Picnic

With a continuation of the fine weather which we have enjoyed for the past week for another day a large crowd can be looked for at McCurdy Park tomorrow for the annual picnic of the Farmer's Clubs of the county. The program arranged for the day ensures a fine literary treat, while the speakers will have something of interest to say.

For Queen of Labor Day.

The contest for queen of Labor Day, which lies between Misses Nellie Connor, Clara Byrnes and Anna McCarty, will be decided at the armory tonight. Voting will continue until nine o'clock—during the evening the O. L. I. Band will give a concert—and the ballot box will then be closed. The queen will ride between the O. L. I. Band and Company H in the parade Monday. She will receive \$10 in gold from the band, which is giving the contest, and a dozen of best photos from Welte.

Probate Court.

In the estate of Ebenezer B. Bliss, late of Rush township, will has been filed for probate. The hearing will be held Sept. 22. The estate is valued at \$9,000. In the estate of Joseph Gale, a minor, an application has been made by guardian to sell real estate. Hearing September 23d.

In the estate of Peter Connelly, deceased, late of Owosso township, Mrs. Ellen Martin was appointed administratrix and W. H. Bigelow and A. D. Whipple, appraisers.

In the estate of Leander J. Ferris, deceased, claims will be heard before the court.

In the estate of C. Stackhouse, F. G. Morris, administrator, filed his final account, which was allowed by the court.

Screen Door & Window Co.

The Screen Door & Window Company, Limited, was organized Friday afternoon at the Citizens' Savings Bank with the following officers, who are of course stockholders: President, G. W. Detwiler; treasurer, I. H. Keeler; secretary, J. H. Laverock; manager, John Laverock. The balance of the stockholders are Arthur Laverock, H. C. Frieske, A. E. Shannon, F. W. Pearce, and W. W. Palmer. The company incorporates at \$100,000, of which \$37,500 is now paid in.

The new corporation—the articles were filed with County Clerk Martin on Saturday—takes the business of the Laverock Screen Door & Window Co., at present located at the corner of Water and Exchange streets. The factory was founded four years ago by John and Arthur Laverock, and has doubled its business each year, far outgrowing its quarters.

In the spring the Stever car oiler building on South Shiawassee street will be remodeled and repaired and the machinery will be moved in. The company has a deed of the property, which is to be used this winter as a stock room.

There is no reason why the new venture should not be entirely a success, as there is an ever widening field for screen doors and windows, and the company is officered and backed by conservative and experienced business men.

Twenty-Second Infantry Reunion.

One hundred members of the Twenty-Second Michigan Volunteer Infantry held their annual reunion at the armory on Thursday. Romeo was selected as the next meeting place. The new officers are: President, Major A. M. Keeler, Richmond; vice president, Levi H. Cannon, Disco; secretary, William Davey, Detroit; treasurer, H. F. Daniels, Birmingham.

At the afternoon session, Mayor V. M. White made an address of welcome, to which Comrade E. C. Cannon, of Evert, responded. The Acme Quartette received a rising vote of thanks for songs. Miss Maude Gates gave some recitations which were heartily applauded. Col. H. S. Dean, of Ann Arbor, gave the history of the regiment's battle flags. Rev. C. H. Hanks made a brief address which was thoroughly enjoyed by all present.

The regiment's red cow-bell, which was carried all through the war, was at the reunion, as were the battle flags, captured at Chickamauga when the Twenty-Second lost four-fifths of its strength in killed, wounded and captured.

Owosso members of the regiment are S. E. Halsey, O. T. Nichols, John A. Wood, Company A; Norman F. Payne, Thos. M. Wiley, Company D.

Clear white clothes are a sign that the house-keeper uses Red Cross Ball Blue. Large 2 oz. package, 5 cents.

Losses Settled.

The Shiawassee Mutual Fire Ins. Co. has settled losses as follows:

Amos Cassidy, Antrim, damage to house by lightning, \$2.

George Harper, Woodhull, two cows killed by lightning, \$90.

M. B. Keegah, Sciota, granary and contents and stacks, \$351.60.

Thos. Agnew, Antrim, damage done to barn by lightning, \$1.50.

John Kitchenmaster, Venice, barn, granary and contents, damage by lightning, \$801.60.

Norman L. Hopson, New Haven, damage to house by lightning, \$10.00.

A. G. Cowles, Vernon, damage to barn by lightning, \$5.

A \$3,000 Capias Suit.

Fred H. Williams caused the arrest Wednesday morning of Frank Weidman on a capias and asks damages in the sum of \$3,000. Mr. Weidman was at once released on bail furnished by L. E. Woodard and A. L. Densmore.

The declaration says that Weidman bought three beef cattle on May 23 last which had been killed, or nearly killed by accident, rendering them unfit for food. It further says that Weidman represented to Williams, who was then working in L. C. Barnes' market on south Chipman street, that the meat was all right, and Williams bought four quarters. Later when plaintiff removed the meat from the ice box the stench made him sick. He was immediately taken with fever, was ill two months, and has not been really well since. It is for this he demands damages. Walsh & Pardee are his attorneys.

Labor Day Post Office Hours.

The post office will close at ten o'clock on Monday for the day. Carrier's windows will be open until that time. There will be no deliveries in the city on that day.

E. O. DEWEY, Postmaster.

Odd Fellows' Picnic.

The Odd Fellows of the county will have a picnic at McCurdy Park, Corunna, Wednesday, September 10th. All Odd Fellows and Rebekahs with their families and friends are invited.

Let all come prepared to enjoy a picnic dinner on the beautiful grounds. At two o'clock p. m. a program of music and speeches will be given in the casino. Able speakers have been secured. Gov. Bliss is expected to be present. A. L. Chandler will be president of the day and the Noble Grand of each lodge will act as vice president.

Additional Mail Service.

Orders have been received by Postmaster Dewey making an allowance for horse hire for another of the city carriers. A great improvement in the service, especially in that given to the west side business men and the factories will thereby become possible at once. The new order goes into effect Tuesday. Carrier W. G. Eggleston has been designated for the new work.

The new mounted carrier will serve the factories and the west side business places, also the business places on the east side south of Comstock street. It is expected that five deliveries will be made, the same number which the down town business districts now receive. The down town business district will be reduced slightly in size by portions served by the mounted carrier, but service will be given five times a day on it as heretofore.

Various other changes will necessarily be made in the residence districts. The present mounted carrier, being relieved of the factory and west side business deliveries, will be able to take more of the territory on the outskirts of the city and to make two full deliveries each day. The remainder of the residence portion of the city which will be left in a more compact form will be served by the four remaining carriers, the different parts of the city being served for the greater part by the same carriers who now serve them. The changes will make it possible to give the service to a number of families not now served. This improvement is made possible by the work of Congressman Fordney.

The East Exchange Street Site.

Dispatches from Washington Tuesday night announced that the treasury department had selected the East Exchange street site for the post office building in Owosso. No official news to that effect has yet been received by Postmaster Dewey, nor has he received any other information concerning the matter than that contained in the dispatches to the daily papers of the country. There seems little reason to doubt the correctness of the report, however.

The announcement caused considerable surprise on the part of many people who had favored some one of the other sites, and who had supposed from some reason or other that there was no likelihood of this one being chosen, but satisfaction was generally expressed after the surprise, and it is quite generally conceded that the site chosen is at least the second choice of more people than all the other sites put together could have mustered. In fact when Special Agent Field was in the city he casually inquired of many of the partisans of the other sites as to their second choice and the greater per cent of those who named any location as their second choice mentioned the East Exchange street site. The location is in full view of Washington street at the intersection with Exchange. It is on a broad paved street, in close proximity to the bluest established business houses in the city and the grounds themselves need no filling in to make them ready for the building. The choice is a good one.

FOR LABOR DAY.

Official Proclamation by the Governor.

Gov. Bliss has issued the following proclamation, asking for the general observance of Labor Day:
To the People of the State of Michigan, greeting:

Monday, Sept. 1, 1902, in accordance with law, is hereby proclaimed as Labor Day. As a just tribute to the dignity of labor and in appreciation of the general prosperity, it is requested that as far as possible all places of business of whatever kind be closed in order that employees and employers may co-operate in such exercises as may contribute to the cultivation of a better understanding of their public and private relations and the promotion of their mutual interests. Labor is the foundation upon which the prosperity of nations is built and its advancement the duty of every citizen.

Given under my hand and the great seal of the State of Michigan at the capitol in Lansing, this twenty-seventh day of August in the year of our Lord one thousand nine hundred and two and of the independence of the United States the one hundred and twenty-seventh.

(Signed) A. T. BLISS,

Secretary of State.
